

**Synergy Chef Collaborative
Buyer's Club Membership Registration Form**

The Buyer's Club is an opportunity for members to receive pure, raw, organic ingredients and prepared items at the best prices by participating in bulk ordering. The more members participate, the better prices the Club can achieve. Membership requires a one-time fee (see fee schedule below). This fee covers the purchase of your personal glassware which will be used for packing your prepared food items. All food items or bulk products for the club are prepared and/or packaged at our kitchen facility located at 2135 Dale Ave, Sacramento. Members are welcome to pick up their orders from the office, from one of our designated distribution points, or through special arrangement. Home deliveries may be available for an additional fee on each order; however, availability and fees will vary based on location and order size. Contact us for a quote. Orders and information requests should be directed to buyersclub@synergychef.com. Please **print and sign** this form, and submit it with your initial deposit.
